3:44 PM **Joshua**: but it could break the ice a bit - if she brought a friend and i were there
oh yeah

3:45 PM **Joshua**: doesn't have to be a sex party - just a - oh hai hanging out with friends lol - bring a friend if you want
nm
doesn't matter
is she 21
3:46 PM **me**: she's 25 or some such

I want her here
she's already talked to Mirna via cross-chatter
Joshua: i c
3:47 PM alright then
me: as I was on the phone to her last night at home
oh
so at 11:30 last night, Heidi called and said she was frightened due to the presence of evil spirits
Joshua: seems like you have this worked out well
me: and paid for me to come over in a cab
Joshua: i c
me: yes
I'm staying busy
3:48 PM busy like a fox
Joshua: did you have sex with her or is this just still a strange friendship thing
me: no sex
Joshua: very well
me: although she brought it up the other day
she said, "If you do heroin again I'm never having sex with you"
And I was like "I don't care lol"
3:49 PM so, I don't know
I'm going to cut down significantly on the Heidi time anyway
particularly since I've spent the majority of the last five days with her
Joshua: right - she's keeps things interesting - i like hanging out but...
right
i noticed that
me: and in fact we've slept together for five nights straight for some reason
Joshua: and me three days
3:50 PM **me**: ah, yes
Joshua: i c
me: Ed Powers called her yesterday
Joshua: with sexy results
?
i drank way too much coffee again
3:51 PM i feel deeply wounded by it
me: REALLY?!?!

what's going on exactly
the date with the girl tonight

4:29 PM **me**: I was already having this girl over tonight

asking me to fill out this questionaire if I'm interesting in having them pay for a date in Manhattan and writing about it and me
